- 1. Log in to Chess.com (https://www.chess.com/login_and_go)

2. Begin creating the challenge

Enter this URL: https://www.chess.com/play/{username} Don't put "{username}"! Instead use the username of the person you are challenging. For example: <u>https://www.chess.com/play/labudde</u> The screen will look like this (previously entered options may be displayed):

		* :	T	
Quick Match	>	Time	iype	
🞇 Custom Game	>	5 5		
L Play a Friend	>	👗 labudde	×	
Join a Tournament	>	Rated		
Play Computer	>	Options		
🔀 Open Challenges	>	Play	Challenge Link	

3. Set the Time Control

3. a) Under 'Time' click on the button (unless it already shows "100 | 5")

3. b) Click on "More" (as shown above)

The above screen changes to look like the one below; now, click on the "Custom Time" button.

Quick Match	>	Time	Туре		
🞇 Custom Game	>	5 5		88	
Play a Friend	>	Live (Total tim 5 min	e per side) 3 min	1 min

Play Computer	>	30 min	15 10	10 min	
😨 Open Challenges	>	2 1	Custo	Custom Time	
		Daily (Max time per move)			

3. c) Enter the desired time control in the three boxes just to the left of the "OK" button.

Time		Туре		
5 5			53	
Live (Total time per side)				
5 min	3 min		1 min	
5 5	3 2		1 1	
30 min	15 10		10 n	nin
2 1	min	sec	inc	ок

Enter "min" value of 100 Leave "sec" value blank/empty Enter "inc" value of 5 As shown below:

Time		Туре			
5 5		83

The Challenge will be created and, once your opponent accepts, your game will start!!

There is no facility for the organizer (tournament director) to create challenges on behalf of other users. (I have put in a feature request for this!)
